

# St. Francis of Assisi Church App: My STFOA

**Now stay in touch anywhere with the parish ministries, events and news.**

On your Android-powered smartphone go to "Google Play" and on your iPhone, go to your Apple App store. In both cases, in your search, type "St Francis Burien" and then click "Install".

**Note:** The app does not run on Windows Phones or Blackberrys.

The App's **Notification feature** will function later in the year.
