

# Special Milk Program 2009-2010

Milk will be available **only** on a **prepaid basis**. A **one-time** payment of **\$26.25 per student** will cover your child's daily milk purchases from September, 2009 through June, 2010. You may notice this per pupil amount has increased from last year. The cost of milk delivery and our reduced subsidy have caused prices to go up. Please discuss this with your child(ren), as there can be no refunds and no pro-rating for signups done later in the year. Thanks to a special program offered to us through the Office of Superintendent of Public Instruction Child Nutrition Services, you'll save nearly \$28.00 with this prepaid system. This enrollment form for milk must be received no later than August 28, 2009 to ensure milk availability on the first day of school. Payments received after August 28, 2009 will require up to 1 week to process.

Checks or cash payments must be made payable to St. Francis of Assisi School. Your **student's name and grade must accompany the payment** to ensure their proper enrollment.

Family Name: \_\_\_\_\_

(Please Print Legibly)

Student: \_\_\_\_\_ Grade & Teacher: \_\_\_\_\_
